EDUCATION

 +91 9798827627

Rungta College of Engineering and Technology Bachelor of Technology in Computer Science and Engineering

2020 – present(2024)
Current CGPA: 8.0

H.S Rameshwarganj(BSEB)

Higher Secondary

June 2020

Percentage : 56.7

ST. PAUL'S SCHOOL(CSEB)

Secondary school

June 2018

Percentage : 57.6

SKILLS:-

Languages: DSA , C, C++ , HTML , CSS , JavaScript, OS, SQL

Database: MySQL

Integrated Development Environment (IDE) : VS Code, Replit, GitHub

PROJECTS:-

Voice Assistant : C++, VS Code

23 July 2023

Developed a voice assistant using C++ to enable natural language interactions for social media tools. Like – YouTube, Instagram, Google, Whatsapp. As the lead developer, I was responsible for designing the core voice recognition and response system using C++.

Website : HTML, CSS, JavaScript

Developed a login/signup(Login gateway) website to enhance user access. Served as the lead web developer responsible for designing, coding, and maintaining the website.

August 2023

Exam System : C++, VS Code

Developed a Exam system for students to give their exams and easy for the teacher to take the exam. It helps the teacher to check how many students are pass and fail.

Industrial Training :

Coding Spoon

During the month of August 2023, I successfully completed a 6-week industrial training program with Coding Spoon. The program focused on enhancing my coding and problem-solving skills, and I gained valuable insights into various programming concepts. Through hands-on practice and learning from experienced mentors, I deepened my understanding of data structures, algorithms, and practical coding applications.

ACHIEVEMENT

Leet Code

- * Proficient in solving over 100 LeetCode coding challenges, demonstrating strong problem-solving abilities in data structures and algorithms.
- * Consistently ranked among the top performers on coding platforms, showcasing a commitment to continuous learning and improvement.

DECLARATION:

I hereby declare that all the above information is true to the best of my knowledge and belief.
